

**A** (Predicted by RF model)

(Predicted by DenseNet model)

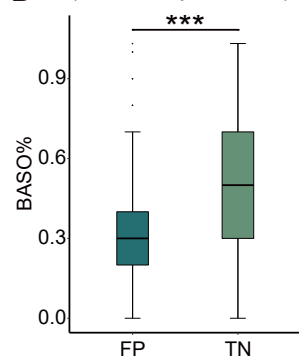

● True Positives

● True Negatives

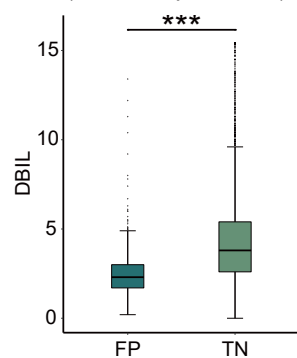

● False Negatives

● False Positives

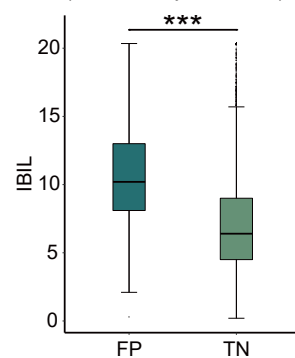

**B** (Predicted by RF model)

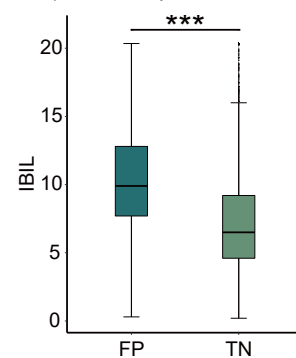

(Predicted by RF model)

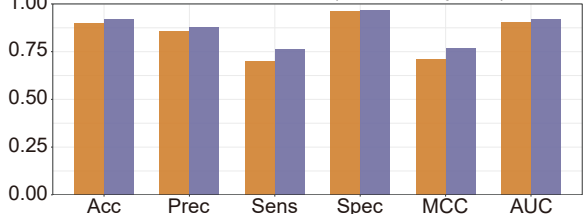

(Predicted by RF model)

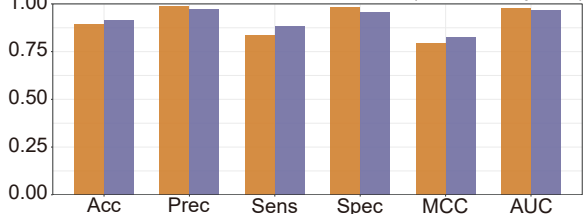

(Predicted by DenseNet model)

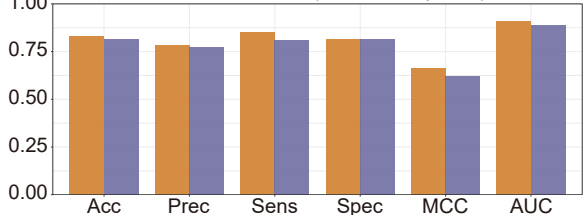

**C** Performance on Outlier dataset (threshold adjusted)

Performance on Incompleteness dataset (threshold adjusted)

Performance on FEP dataset (threshold adjusted)

**D**
